

We are so excited to begin our See's Candy Online Fundraiser - Yum-Raiser!!!!

Starts Wednesday, February 28th through Friday, March 15th.

This fundraiser is to help students raise money for their accounts, as well as give your family and friends an opportunity to purchase some delicious chocolate! Students can earn 20-50% profit (depending on item). Profits earned will go towards the participating student's account. Items ordered will be shipped as soon as the order is placed. **Last day to order is 3/15**, so there will be enough time for delivery before Easter.

Band and Guard members and parents will receive an email with your own personalized link from the Yum-Raising site. This link will send you directly to the storefront that is already set up for our Gahr Band and Color Guard Spring 2024 Fundraiser. The first few letters of your first name should appear in your link. If you have any questions or concerns, **please contact Ida Barcelos via email at idadarcelos3@gmail.com.**

Please note: The emails from Yum-raising will probably state that "Julie Castro has invited you to help..." Julie Castro is one of our alumni parents who initially set up the See's Candies Yum-Raising account. In the interest of time, Ida will be using Julie's account to send out See's Candy Yum-Raising Information.
