

3. Discuss the role you feel leadership should play within the structure of the Gahr Marching Gladiators. What are your responsibilities to the staff? To the other students?

4. What are some of the goals you have for the Gahr Marching Gladiators next year? How will you help the staff and students accomplish these goals?

5. How do you bring different people together? How do you avoid “clicks” from forming?

6. What was a problem or frustration you struggled with this past season? How would you fix it?

7. How do you help a new student in your section that is missing basic skills and really struggling?
